

'Star of Christmas' Sobey's Sing-along

Many thanks to everyone for getting the notices back right away last week to see if there was enough interest. I am pleased to inform you that the majority of the choir members are able to attend and it's a go!

In order for students to participate, the '**Model Release Form**' that is being sent home today needs to be filled in and returned to school by Wednesday, Nov.22nd. As the Sobey's manager communicated: No form = no performing for that student.

Here is a recap of the particulars:

Our choir will be taking part in the Sobey's "Star of Christmas" sing-along. We will be joined by the Cobequid Fire Department, the Special Olympics Cobequid and Sobey's staff. It will be captured on video and posted online. All Sobey's stores across the province are participating in this. If the Truro store receives the most online votes, they have decided to donate their \$5000 to the Cobequid Special Olympics. The voting period takes place from Nov.30-Dec.13th - details about how/where to vote will be communicated as I receive them. A donation will also be made to our school's breakfast program in appreciation of our participation.

Students will need to have drives to and from the Robie Street Sobey's for this event.

Please Note the Details

When: Thursday, November 23rd from 3:30 pm until about 4:30 pm – please arrive on time

Where: Sobey's Robie Street location (we will be doing this outside)

What: Students are strongly encouraged to wear Christmas colors/Christmas hats.

The words/music have been given out to the students. They are asked to sing through it several times at home to commit it to memory. It would be helpful to find one of the commercials on Youtube and practice along with it.
